**A Word from our President  
Theresa Grabiner**

Even though it's winter, we're fortunate to be having some nice golf weather. The golf course plays a little more challenging with the short fairways and quick greens, but if you're a novice golfer and enjoy the game you'll still be out there no matter what conditions. Terry Birchfield and his crew are out there every day to make sure the grounds are in good playing condition. I see them before the sun comes up blowing the

debris from the fairways, cleaning out the bunkers, making new pin settings on the green, or fixing a broken underground pipe.

January 19th we'll be having our "Awards/Luncheon", and the installment of our Vice President, Mary Ann Suda, for a second term of 2 years, and our new Treasurer, Diane McCavitt, for her first 2 year term. There'll be 24 ladies attending, and the most improved golfer award will be presented to Nora Mahn. Congratulations! That's quite an accomplishment, and I know Nora worked real hard this year with taking lessons from the pro and being diligent at practicing at the range. *That's how to take 6 strokes off your handicap.*

We have an exciting year ahead with our TLGA Invitational, "Fore the Birdies and the Bees", on April 18th, the Sandlappers Tournament in May and State Tournament in August. For our club, there will be some new formats on our play days, including a points system (Stapleford), to get us ready for the Sandlappers in March, match play, and a flag tournament. Every month we'll try to play different formats to get us acquainted to playing more competitively. This will also help to learn the rules and improve our pace of play.

Hit 'em straight and hope to see you out there. Call someone to play golf.

# Happy Birthday

Lee Matthews	03 Feb
Lorraine Gjertsen	07 Feb
Linda Ream	10 Feb
Lucy Kenney	15 Feb
Karen Donagly	16 Feb

## Special Event

January 19<sup>th</sup> Awards Luncheon

## TLGA Representative

Mary Ann Suda

## *Upcoming Tournaments*

*New schedule in Spring*

## Quote

“The best advice I can give for playing a ball out of water is - don't.”

Tony Lema

“The older you get the stronger the wind gets... and it's always in your face.”

Jack Nicklaus

“Missing a short putt does not mean you have to hit your next drive out of bounds.”

Henry Cotton

## What is the Ruling?

A player who started a round with 14 clubs lost her putter. May she replace it during the round?

Answer: No. A lost club is not one which has become unfit for play in the normal course of play – see Rule 4-3

### Pace of play

Leave your clubs on the side of the putting green toward the next tee.

### Etiquette

**Repair divot holes and ball marks. Smooth footprints in bunkers.**

### Ball Assisting or Interfering with Play

**You may have any other ball lifted if it might interfere with your play.**

**Things**

**Every Golfer**

**Should Know**

The whole thing about

*be the ball*

doesn't work!
