## **A Word from our President**

**... Pat Rhodes**

I am extending a big “thank you” to our Social Committee (Mary Ellen, Debbie, Diana) for all their efforts in organizing the “Nutty Fall Fling Luncheon” at the clubhouse on November 15<sup>th</sup>.

Also, thank you Julie for getting the teams reassigned because of the weather. I think everyone had fun at both events! A vote was taken at the TLGA meeting to continue with 9:30 am as our tee time on Tuesday and Thursday after the time change at the end of this month. I hope to see more ladies out playing.

Remember, golf is exercise, exercise burns calories, the more you play the more calories you burn so....you’ll be ready for the ‘party season’ in Timberlake and still not have to replace your wardrobe in January!

A few of “Murphy’s Laws of Golf” authored by Henry Beard:

- ☞ Everyone would like to get much better at golf, but they’ll settle for you playing a whole lot worse.
- ☞ If you address the ball more than 20 seconds, it’s not a waggle – it’s a seizure.
- ☞ A ball will always travel farthest when hit in the wrong direction.
- ☞ If there is a ball in the fringe and a ball in the bunker, your ball is in the bunker.
- ☞ If both balls are in the bunker, yours is the one in the footprint.

## Sandlappers Report

Linda Hamel

Seven golfers went to play golf at the Lexington Country Club Sandlapper Tournament. On the way to Lexington Country Club it started to rain so when we got there most of us decided to go shopping and return at 12:00 for the luncheon.

***Then** there are some who will play golf under any condition!* Theresa, Mary Ann and Kathy decided to play golf in the pouring down rain. They looked like drowned rats when they came in for the luncheon, but I think the three of them have learned their lesson and the next time they will go shopping also. Theresa and Mary Ann did win in their flight.

This was the last Sandlapper Tournament for this year.
